### To the Wynleigh International Team

A huge thank you to Christina, Tony and the rest of the Wynleigh International team for all the assistance throughout our journey to certification and for assisting where ever you have to make it possible for us as a team to reach this point.

Audits can be a stressful time but by having auditors like Mr Cunningham has proven what a breeze an audit can be. Being audited in such a professional manner with utmost courtesy and professionalism has given us a different experience all together.

We are fully convinced that we could not have chosen a better certification body than Wynleigh International to start and continue this journey with. We look forward to working together again.

Many thanks  
Saadiya Salloo
