REFERENCE LETTER

It is with great pleasure that we recommend the services of Wynleigh International Certification Services.

We were audited by the Managing Director, Tony Cunningham in November 2023 at all our main sites in South Africa on the requirements of the Excellence Through Stewardship (ETS) program. We found the auditor to be very professional, well spoken, diligent, consistent, and knowledgeable in all areas of Excellence Through Stewardship (ETS), Quality Assurance, ISO-standards and processes, and applicable Laws and Regulations. Written reports were accurate, detailed, and thorough.

Mr. Cunningham also provided additional observations and discussed potential improvement points, exceeding the expected scope of this audit and are of great value to the continued improvement of all aspects of our Quality Management System.

Kind Regards

Louise Jacobs
