TO WHOM IT MAY CONCERN

Dear Sir / Madam

Re: **LETTER OF RECOMMENDATION**

We recently engaged Wynleigh International Certification Services for successful certification of our ISO 9001, ISO 14001, and ISO 45001 management systems.

During the process we were impressed with the professionalism, attention to detail, and expertise of Wynleigh personnel involved in the assignment.

A collaborative environment was fostered from the outset in carrying out a first stage audit to determine our state of readiness, and subsequent guidance in bringing our systems up to standard. The auditors uncovered potential issues and non-conformances and provided valuable insights how to address or remedy these prior to final audit.

If you require any additional information, please do not hesitate to contact me per details provided above.

Yours faithfully
