Dear Sir/Madam,

## **RE: Letter of Recommendation for Wynleigh International**

I would like to recommend Wynleigh International Certification Services for their professionalism, high standard of auditing, positive interactions with staff and valuable feedback given through observations and recommendations for improvement.

Wynleigh has facilitated a seamless transition from our previous certification body, the auditors (Tony Cunningham and Noel Baker) bring many years of collective experience to the audit process and have provided valuable input and insight to our existing quality system.

We believe we have chosen the correct partners to add value to our ISO9001 system.

Kind regards,

Richard Whitwell  
(Operations Director)
